Sunday Soup Kitchen Outreach Volunteer

Do you like talking to and getting to know people? Are you a resourceful person that others often turn to for information? Have you worked in social services before or are you interesting in gaining experience working directly with clientele? If so, you may be a perfect match for our Outreach Volunteer opportunity!

Cathedral Community Cares provides an array of support services to those in need. These include a Nutrition, Health, and Clothing Center that provides professional and emergency clothing through The Clothing Closet program and a Sunday Soup Kitchen that provides a breakfast, lunch, and take-away meal every week.

Every Sunday at our outreach/information table, Cathedral Community Cares' volunteers provide information and referrals to clients of the Sunday Soup Kitchen.

Long term volunteers (3+ months) are needed to assist in providing these beyond-emergency services each Sunday from 10 am to 1 pm. Volunteers will also assist in keeping the outreach materials and information up to date. Training is available.

Because of the nature of the people served, you should be comfortable working directly with a highly vulnerable population. We are particularly interested in individuals who either have an MSW, a social services background, or a strong passion for helping the under-served.

How to apply
